## Community Food Project

A Whole Community, Inc. (AWC) reclaims imperfect produce from local farms and shares it with local food pantries, free meal sites, and low income neighborhoods.

Our three goals:

- 1) Reduce Food Waste (The imperfect produce gets eaten, instead of thrown away)
- 2) Increase Fresh, Local Vegetables and Fruit provided to those who need it
- 3) Increase Nutrition (People get healthier by eating more vegetables and fruit)

### 2019 Results (Mid-June through Mid-October)
